B4 OE Replacement (Air)

BILSTEIN B4 OE Replacement (Air)

Unrivaled.

In close cooperation with Mercedes-Benz, we developed the BILSTEIN B4 OE Replacement (Air) for maximum driving comfort. This revolutionary design provides damping, suspension and level control in one single part. The BILSTEIN B4 OE Replacement (Air) is available for active and passive systems and is the only air suspension module that provides a perfect driving experience as on day one.

Features & benefits:

- Direct fit
- Maintains the active factory system to ensure predictable handling, safe stopping distances and original ride comfort
- Manufactured with 100% new parts for maximum reliability and safety
- 100% OE quality and comfort
- Available for both active and passive air suspension systems
- Individually fine-tuned during BILSTEIN road testing to perfectly match the OE air suspension module
