

# BILSTEIN®

## CLUBSPORT

Derived from years of motorsports experience, the BILSTEIN Clubsport® is our most advanced coilover kit. Featuring a 2-way damping system, the BILSTEIN Clubsport® allows 10 rebound and 10 compression settings to be adjusted independently, accurately, and quickly via easily accessible adjusters.

### Features & Benefits

- > Monotube technology for consistent, fade-free performance
- > Independent rebound and compression adjustments enables 100 setting variations
- > Easily accessible aluminum adjustment wheels scaling from 1(soft) to 10(hard)
- > Camber adjustment with monoball support bearing\*
- > Ride-height adjustable - 20mm to 40mm\*
- > Triple-C-Technology® surface coating
- > Application specific spring rates - progressive or linear\*
- > Made in Germany
